### ONTHE LOCAL MARKETS

LITTLE BUSINESS ON ter 12 o'clock. There were no changes THE PRODUCE MARKET whatever in quotations.

Very light receipts of country produce and fruits yesterday and a limited demand gave the wholesale and the commission merchants a holiday whether they wanted it or not.

Apples are in active demand, and the supply was hardly large enough yesterday to meet it, but it was a holiday and the buyers were willing enough to hold off. Hence there were no changes in the figures. Chickens, eggs, potatoes, vegetables of all kinds, and, in fact, pretty much everything regarded Labor Day, and little or no husiness was done on "the block" after the distributions of the millipress and other buyers of grain.
